O R D E R

On November 21, 1995, the Independent Telephone Group<sup>1</sup> ("ITG") requested a 45 day extension of time to respond to the Commission's data request of October 5, 1995. In support of its motion the ITG states that many of the questions of the Commission's data request are directed only to the ITG and that it must coordinate its responses with all of its 13 member companies and consultants.

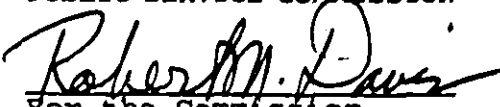

The Commission, having considered the ITG's motion and having been otherwise sufficiently advised, HEREBY ORDERS that the motion be granted in part. The ITG shall have until January 5, 1996 to provide its responses to the Commission's data request. This extension shall be granted to all parties.

Done at Frankfort, Kentucky, this 4th day of December, 1995.
